Listing Number E113099; MET Project Number 82234
Safety Standards: • UL 1598 / CSA C22.2 No. 250, Third Edition, Standard for Safety
Luminaires

Dear Mr. Reed:

Congratulations on successfully completing the MET Certification process for the ClearLight Models Beacon and Eco Spot. Express Imaging Systems, LLC may begin to apply the MET Mark on the above stated products at this time in accordance with the MET Mark Utilization Agreement or the MET Applicant Contract. The reports covering the above stated products will be forthcoming.

Production line testing is required. Refer to the attached excerpt from the report. It is your responsibility to make sure you understand the requirements imposed on manufacturing before the MET certification mark can be applied. If you have any questions, please contact your project engineer prior to producing and labeling the first product.

Thank you for the opportunity to perform this service for Express Imaging Systems, LLC. We look forward to future opportunities with your company.

Sincerely,

MET LABORATORIES, INC.

Rick Cooper
Director of Laboratory Operations,
Safety Laboratory

The Nation's First Nationally Recognized Testing Laboratory
MET Laboratories, Inc. is accredited by OSHA and the Standards Council of Canada.

NRTL

Canadian Certification has been granted under a System 3 program as defined in ISO Guide 67.
